

REMARKS

This is a Preliminary Amendment for the above-referenced patent application. This application is a Divisional application of Serial No. 09/197,444, where Applicant chose to prosecute Claims 8-12. By this Amendment, Applicant desires to prosecute Claims 1-7 in this application and thus Claims 8-12 have been canceled in this Divisional application.

It is now believed that the subject patent application has been placed in condition for examination and such action is respectfully requested.

Respectfully submitted,  
FOR: ROSENBERG, KLEIN & LEE
